# 'R'mut Group Project

---

**Atahan Şenşatar / Batuhan Arslan / M.Cem Özçilingir / Tibet Erdoğan / Nilay Kamar**

# Project Scope

Interest rate decisions have been much discussed due to exchange rate fluctuations in the last two years. So we tried to reveal the effect of TCMB interest rates on markets in this project.

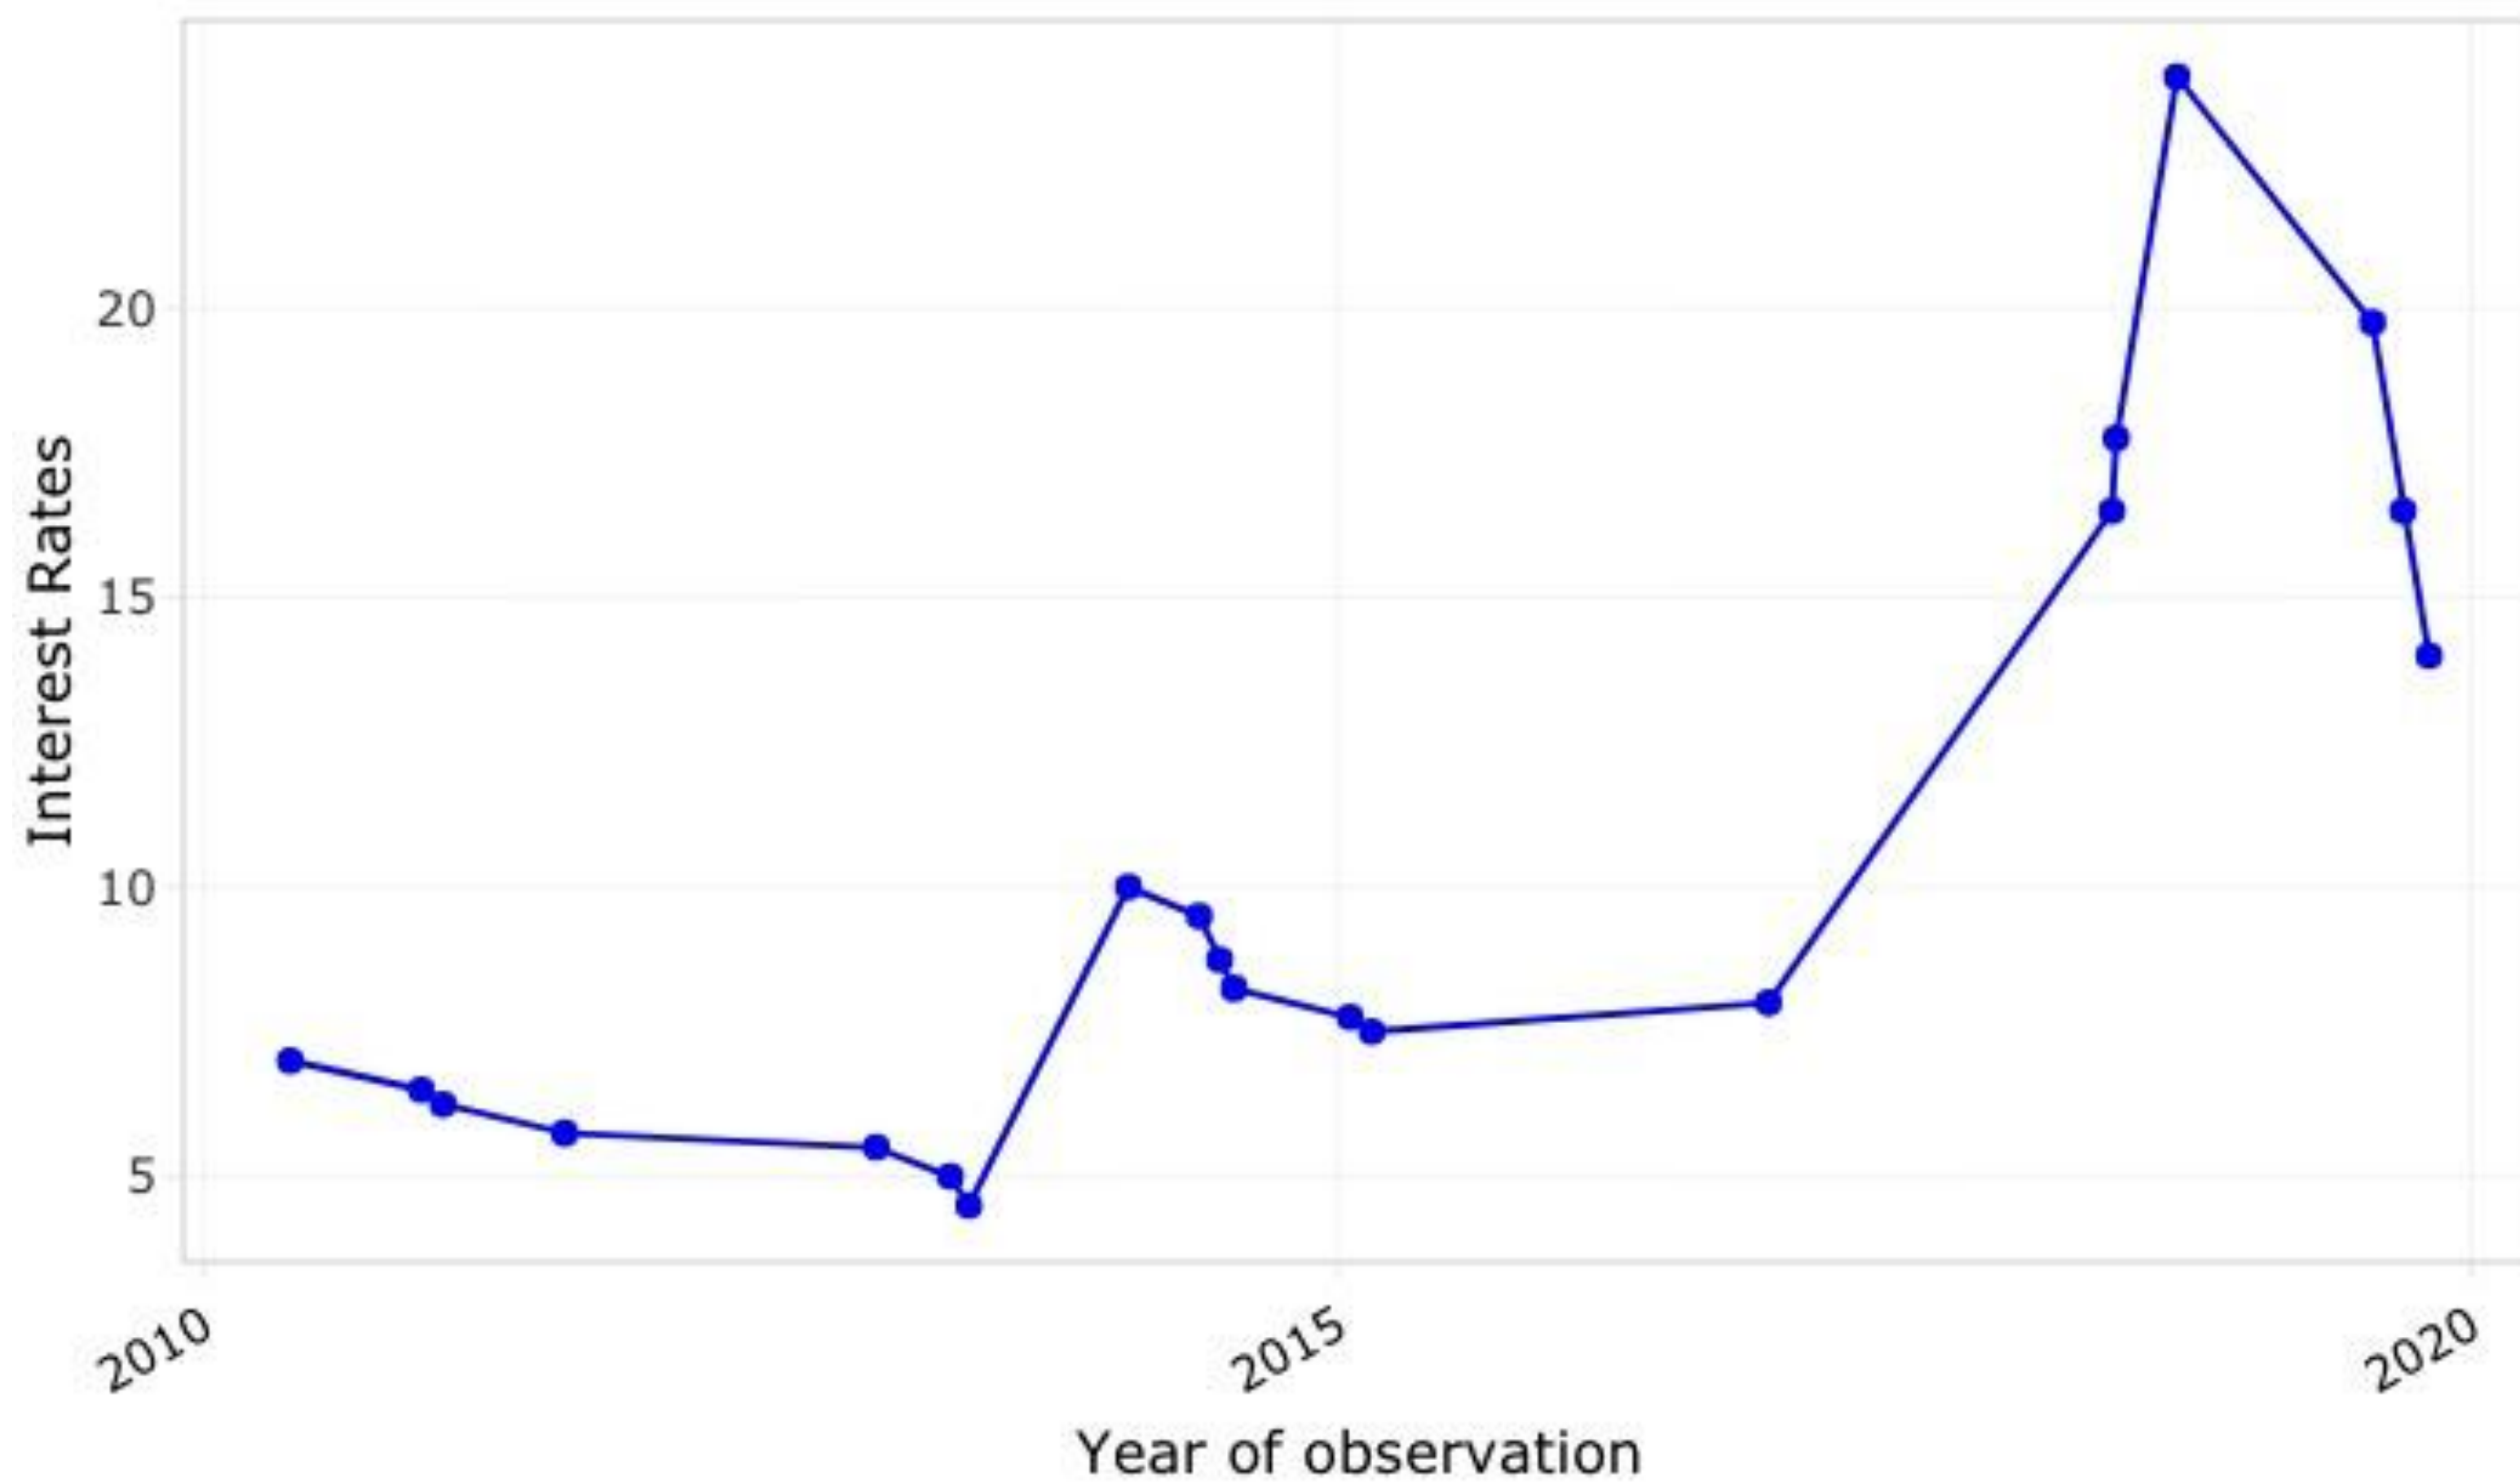

## Dataset

- TCMB Interest Rates(10 years)
- USD/TRY rates
- CPI & PPI
- Import & Export Amounts
- Growth rate

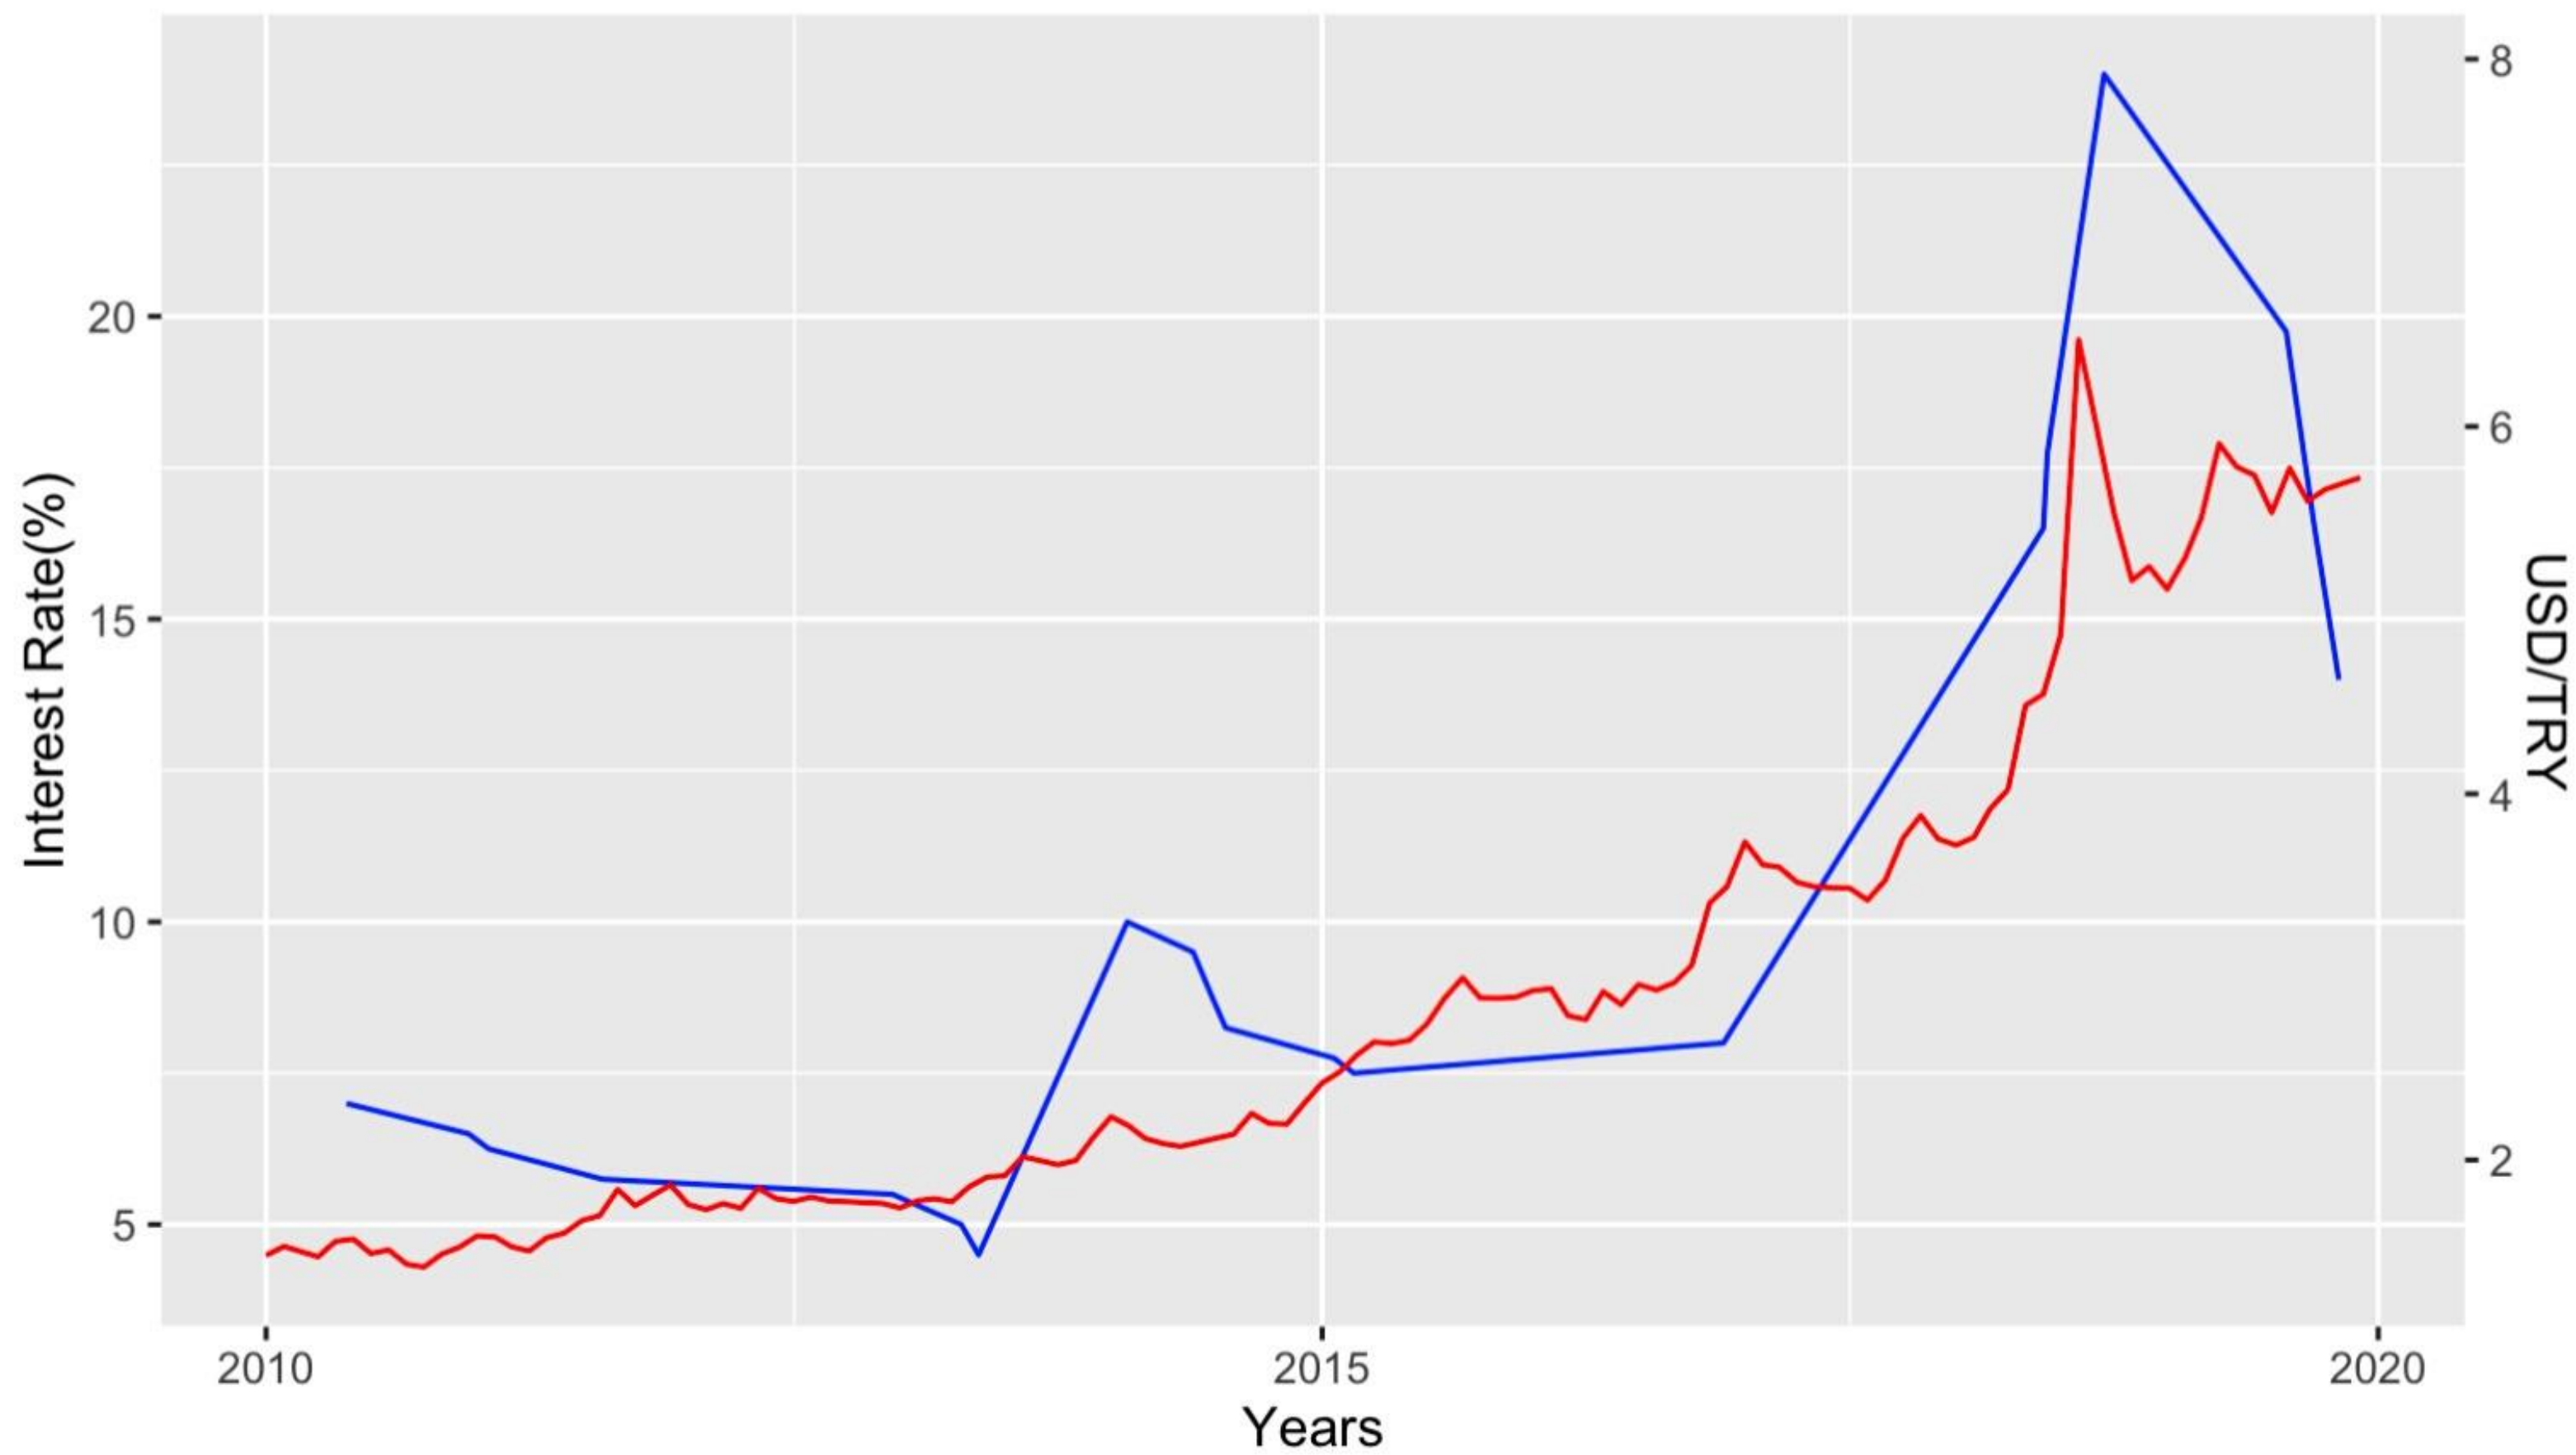

# What we did?

- We examined the of TCMB interest rates decisions on the USD/TRY rate
- Investigate CPI,PPI rates and compare price indexes(ÜFE-TÜFE)
- Investments on technology
- Import-Export and Trade Balance
- GDP Growth Rate
